The **CALABARZON Food and Beverages Fair** is a regional trade exhibition that showcases the rich culinary heritage, food innovations, and beverage products from the CALABARZON region. The event brings together food manufacturers, beverage producers, farmers, MSMEs, restaurateurs, and industry stakeholders to promote locally made products and strengthen regional market opportunities.

Attendees can explore a diverse selection of processed foods, specialty delicacies, coffee, tea, fruit-based beverages, and other locally produced goods. The fair also features product tastings, cooking demonstrations, business matching sessions, and industry seminars focused on food safety, packaging, branding, and market expansion. It serves as a platform for entrepreneurs to connect with buyers, distributors, and investors while showcasing the region's growing food and beverage industry.
