

PHILIPPINE FOOD INNOVATION EXPO

Event Schedule

Date	Start Time	Closing Time
May 28, 2026	10:00 AM	5:00 PM
May 29, 2026	10:00 AM	5:00 PM

The **Philippine Food Innovation Expo** is a leading industry event that showcases the latest advancements in food technology, culinary innovation, and sustainable food production in the Philippines. The expo gathers food manufacturers, chefs, startups, researchers, suppliers, and entrepreneurs to present innovative products, modern processing techniques, and emerging food trends.

Attendees can explore interactive exhibits, live cooking demonstrations, product launches, and seminars focused on food safety, packaging innovation, sustainability, and market expansion. The event also provides business networking and collaboration opportunities for industry players looking to strengthen their presence in the local and global food market.
