The **Provincial MSME Trade & Product Expo** is a local business development event that showcases the products, services, and innovations of micro, small, and medium enterprises (MSMEs) within the province. The expo provides a platform for entrepreneurs to promote their businesses, connect with potential buyers, and explore new market opportunities.

Attendees can discover a wide range of locally produced goods, including food and beverages, handicrafts, fashion items, home décor, agricultural products, and emerging innovations. The event also features business matching activities, entrepreneurship seminars, and networking sessions designed to support MSME growth, encourage local enterprise development, and strengthen the provincial economy.
