

## PHILIPPINE GREEN ENERGY & ECO-BUSINESS SUMMIT

### Event Schedule

Date	Start Time	Closing Time
December 03, 2025	10:00AM	5:00PM

*A national platform championing renewable energy, sustainability, and environmentally responsible enterprise development in the Philippines. The summit gathers policymakers, green technology innovators, eco-business leaders, and investors to discuss clean energy solutions, climate-smart practices, and emerging opportunities in the green economy. Attendees can explore eco-friendly technologies, participate in expert forums, and network with key stakeholders committed to advancing a more sustainable and resilient future for the country.*
