

NATIONAL FOOD FAIR 2019

Event Schedule

Date	Start Time	Closing Time
February 10, 2026	10:00 AM	5:00 PM

The **National Food Fair 2019** is a premier culinary and trade event that celebrates the rich diversity of Filipino cuisine and local food products from all regions of the Philippines. It serves as a vibrant platform for farmers, food producers, restaurateurs, and culinary entrepreneurs to showcase their specialty products, traditional recipes, and innovative food items to a wide audience of consumers, buyers, and industry partners.

The fair features a variety of activities, including food exhibitions, cooking demonstrations, live tastings, and interactive workshops. Participants have the opportunity to connect with distributors, retailers, and investors, expanding their business networks and increasing market visibility. Special highlights include regional food pavilions, competitions for best products, and presentations on food processing, packaging, and marketing strategies.

By bringing together stakeholders from across the country, the National Food Fair 2019 aims to promote local food industries, support MSMEs, encourage sustainable practices, and strengthen the nationwide appreciation of Filipino culinary heritage. It is not just a marketplace but also a celebration of culture, innovation, and entrepreneurship in the food sector.
