

## PHILIPPINE SUSTAINABLE MANUFACTURING & TECHNOLOGY EXPO

### Event Schedule

Date	Start Time	Closing Time
December 04, 2025	10:00AM	4:00PM

A premier national exhibition showcasing the latest advancements in sustainable manufacturing, industrial innovation, and cutting-edge technology. The expo brings together manufacturers, technology providers, industry experts, and policymakers to explore eco-friendly production methods, energy-efficient solutions, and smart factory innovations. Attendees can experience product demonstrations, attend technical workshops, and network with industry leaders focused on driving sustainable growth and competitiveness in the Philippine manufacturing sector.
