The **National MSME Trade Fair** is a premier nationwide exhibition that showcases the products, services, and innovations of micro, small, and medium enterprises (MSMEs) from across the Philippines. The event brings together entrepreneurs, manufacturers, buyers, distributors, investors, and government agencies to promote business growth and market expansion.

Attendees can explore a diverse range of locally made products, including food and beverages, handicrafts, fashion and apparel, home décor, personal care products, agricultural goods, and emerging technologies. The trade fair also features business matching sessions, investment forums, product demonstrations, and entrepreneurship seminars designed to strengthen MSME competitiveness and foster sustainable economic development.
