The **National MSME Development Congress** is a nationwide platform dedicated to empowering micro, small, and medium enterprises through knowledge-sharing, collaboration, and strategic business support. The congress brings together entrepreneurs, policymakers, industry experts, and support organizations to discuss opportunities, challenges, and solutions for MSME growth in the Philippines.

Attendees can participate in keynote sessions, business forums, and workshops focused on innovation, financing, digital transformation, market expansion, and sustainable business practices. The event also provides networking opportunities and access to programs that strengthen MSME competitiveness and long-term development.
