The **Harvest to Table: Agri-Food & Seafood Festival** is a culinary and trade celebration that highlights the journey of fresh agricultural and seafood products from farms and seas directly to the dining table. The event brings together farmers, fisherfolk, food processors, chefs, MSMEs, and distributors to showcase high-quality local produce and seafood innovations.

Attendees can enjoy farm-to-table and sea-to-table food experiences, live cooking demonstrations, product tastings, and interactive exhibits featuring fresh harvests and value-added food products. The festival also provides business matching opportunities, allowing producers to connect with buyers, restaurants, and retailers while promoting sustainable sourcing and local food industry growth.
