June 23, 2026	9:00 AM	5:00 PM
June 24, 2026	9:00 AM	5:30 PM

The **National Coffee Industry Expo** is a flagship industry event that brings together coffee farmers, growers, roasters, café owners, baristas, equipment suppliers, exporters, and coffee enthusiasts from across the Philippines. The expo celebrates the country's thriving coffee sector by showcasing premium local coffee varieties, innovative brewing techniques, and emerging trends in coffee production and café operations.

Attendees can experience coffee tastings, live brewing demonstrations, barista competitions, and educational seminars covering sustainable farming practices, roasting technologies, quality standards, and market opportunities. The event also provides valuable networking and business matching opportunities, connecting producers with buyers, distributors, investors, and industry stakeholders to strengthen the Philippine coffee value chain and promote local coffee on the global stage.
